

GOOD FOOD IS GOOD MEDICINE

Join Pine Knot Farm's

Certified Organic CSA Program

Each week from April to August our CSA members receive a pre-packed box of seasonal vegetables, fruits (strawberries) grown here on our farm. For our CSA boxes, we hand harvest only the best our 45 acres have to offer. Produce goes from field to table in less than 48 hours. Taste the difference that local organic produce makes! Boxes are delivered to convenient pick-up locations in Durham, Chapel Hill, and Raleigh. On average our members receive 5-10% more product than the cost of their share, which makes our CSA program a great way to afford organic produce while directly supporting a local farm.

How Pine Knot CSA works:

- The cost of a half share is \$17.50 per week; \$350.00 for 20 weeks of delivery. A half share feeds 2 people generously.
- The cost of a large share is \$28.75 per week; \$575.00 for 20 weeks of delivery. A large share feeds 3-4 people generously.
- The produce will be prepacked in boxes and delivered to neighborhood pick-up sites.
- Pick-up sites are open from 3:30 pm - 6:00 pm unless specified otherwise.
- It is the shareholder's responsibility to pick up their box of produce on time, the day of the drop.
- Any produce not picked up by 6:00 pm the day of the drop is donated.
- Shareholders who join after the season has already started will be pro-rated.

I have read and fully understand the purchase information. I understand that the produce varieties and quantities listed are approximations of the produce I will receive and realize that availability can vary due to weather, disease and other assorted production factors. To terminate my CSA membership, I must contact Pine Knot Farms in person or by phone.
