Thanks for choosing to eat with us today

We thought you'd enjoy knowing why your food tastes so darn good. Simply- we use the best, fresh, local produce and meats and prepare our BBQ in a traditional, authentic way slow and low over NC hickory logs. Simple, but not easy! Our secret? Our farmers. Cheshire Pork, out of Seven Springs, NC, raises single breed hogs for us, and we end up using pretty much every part of that hog for something good!

Even the details have a face.

Our hushpuppy man- Ray Wheeler of Atkinson Mill in Selma- has owned and operated the mill for 50 years! He stops by every so often to service our hushpuppy mixers and give the staff a few more war stories to remember.

We hope you enjoy our place and feel right at home. Our goal is to love and nourish you as our valued friend and guest.

We hope you enjoy,
and feel free to reach out to me anytime!
